

Sideline REVIEW

“

I loved how the case decreased our sideline setup time by at least half.

ABOUT SIDELINE CASES

Sideline Review systems are compatible with all replay and operating systems, devices and laptops. The system connects wirelessly or directly via HDMI cable and includes custom storage to hold headsets and accessories.

The entire system sets up in less than five minutes and can accommodate a TV up to 65".

Each unit is complete with six panels that can be fully customized with your team or school's branding. Have your team logo or a sponsor on the aluminum protection panel. Each Sideline case is made to order and shipped fully assembled.

“ The Sideline Review is a very valuable tool in today’s athletic department’s toolbox. You teach it, practice it, film it, and then show it right there on the playing field, court, mat, or classroom. This is a must-have teaching tool. It can be used in many other teaching applications there are endless ways of using the Sideline Review.

If you can watch it you can REVIEW it.

— Jeffery Kavosick - Mesa High School

“ The Sideline Review is exactly what our school needed. It is ideal for game playback, senior night profiles, sponsors, as a 2nd gym time clock and so much more! The case is sturdy, reliable and is designed to show off our school spirit.
